The institution has many case studies on inducting average students only to raise them to achieve distinction and ranks. The emphasis is on academic focus adding to train for holistic development of students. Constantly identifying value-additions to the university stipulated curriculum, the college designs balanced inputs of curricular and co-curricular components into its practice.

The institution prepares students into self-reliant, independent thinking, globally relevant, skilled and socially useful citizens of the nation embedded with values to contribute in their own mite to the society.

M.Sc IN CHEMISTRY

ABOUT THE PROGRAM

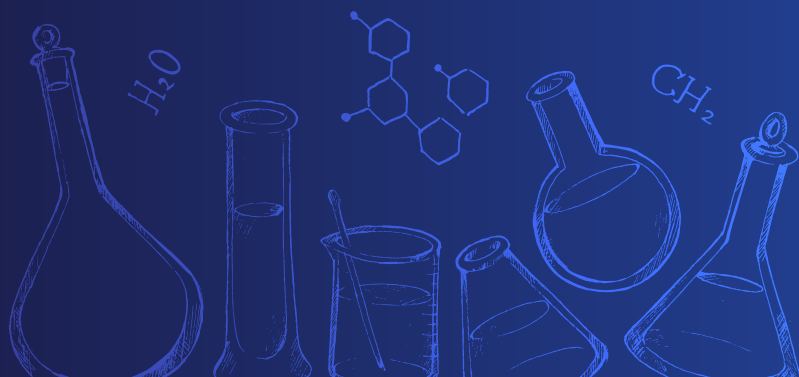

The field of Chemistry has undergone a remarkable transformation in recent decades, propelled by pioneering research and technological advancements. This evolution has not only fostered innovation but also ushered in a multitude of career opportunities. For students aspiring to excel in this dynamic domain, a robust foundation in relevant subjects and concepts is indispensable. Surana College introduces an M.Sc (Master of Science) program in Chemistry, thoughtfully designed to cater to the demands of the contemporary scientific landscape.

Our M.Sc in Chemistry program equips students with a comprehensive understanding of both the fundamental principles and emerging facets within the discipline. We recognize the utmost importance of staying abreast of the latest developments, and our curriculum is meticulously crafted to ensure that students are well-prepared to address current challenges while anticipating future trends.

A distinctive feature of our program is its unwavering focus on hands-on learning, enabling students to gain practical experience and apply their knowledge in real-world contexts. Furthermore, we prioritize the cultivation of soft skills and employment readiness throughout the program, guaranteeing that our graduates possess a well-rounded skill set highly esteemed by employers.

Specialization

- ✓ Organic Chemistry
- ✓ Analytical Chemistry

OUR PROMINENT RECRUITERS

Why Choose SURANA

Multidisciplinary Curriculum

Career Specialised Electives

Maargadarshan - Meet the CXO

Incubation And Entrepreneurship Cell

Practice-Oriented Teaching and Learning

Career Progression Cell

360° Mentoring

Industry-Institute Interaction

SASP-Student Academic Support Program

Blend of Ph.D.'s and Industry Experts as faculty

PROGRAM HIGHLIGHTS

- ✓ Industry Exposure
- ✓ Research Driven Teaching
- ✓ Student Scientist Connect
- ✓ State Of The Art - Laboratory
